

**COMPOSITIONS FOR PRE-TREATING SHOES  
AND METHODS AND ARTICLES EMPLOYING SAME**

5

**Abstract of the Invention**

Compositions for treating shoes, especially canvas and/or leather-containing shoes, such as athletic shoes, and methods and articles of manufacture employing same to treat the shoes prior to and/or during and/or after washing the shoes are disclosed. The 10 compositions are used to pre-treat the shoes prior to soiling of the shoes.
